## 2017 Get Wild Sponsorship Opportunities

**Saturday, April 29<sup>th</sup>**

**10am to 2pm**

**Trails on the Center's property, 8626 SW Citrus Blvd, Palm City**

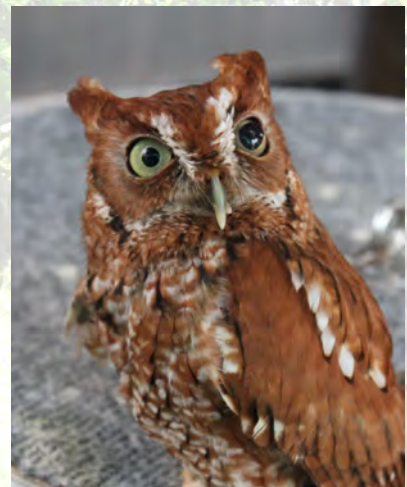

The Treasure Coast Wildlife Center (TCWC) is a private not-for-profit corporation, dedicated to the preservation of wildlife and the conservation of natural habitats. We are not a government agency. All funding for our efforts comes from public and private grants and from concerned people throughout the community. Our goals and purposes include the rehabilitation and return to the wild of sick, injured and orphaned wild animals, as well as informational services directed toward the public at large. Founded by Jean Henry and Ruth Stanwood in 1974, the Treasure Coast Wildlife Center is the only facility of its kind serving Martin, St. Lucie, Indian River, Okeechobee, and Palm Beach counties in Florida.

The TCWC operates a comprehensive medical and rehabilitative facility for the care of wild animals. Our clinic accepts literally thousands of wild patients each year, providing treatment for animals as diverse as bobcats, eagles, alligators, and songbirds. Roughly 10 percent of the animals treated belong to the "Listed" species (Endangered, Threatened, Species of Special Concern). Upon completion of their rehabilitation, these animals are returned to suitable wild habitats.

The Center has been on this property for many years but just recently acquired the remaining 300 acres. The 2nd Annual Get Wild Fun 4K Walk/Run is a way to invite our community to not only see the animals, but to encourage them to enjoy the beautiful, pristine nature trails at our facility. This one of a kind fun run attracts runners and walkers of all ages, from experienced cross country runners, to those looking to explore our trails at their leisure. We hope you will consider sponsoring this event. Our community supporters mean everything to us and the animals we serve!

A section of the trail for the Fun Walk/Run. Natural Florida at its finest!

Kali the Screech Owl is one of our cutest Ambassadors. Often being mistaken for a doll because of her tiny size, less than 8 inches!

Gracie the Bald Eagle has been with the Center since 1999 after she fell 65 feet from her nest onto the ground. Gracie is a beloved Ambassador

Ponds throughout the property make for a very unique scenery along the trail. Participants will travel along nature trails that they will never forget.
